Details

CHIMNEY SNUFFER

Quickly knocks down chimney fires with a fine spray so water damage is minimized or eliminated. Durable five-pound head is easily operated by one person. Eight strategically placed nozzles spray 40 gallons per hour, at 60 psi. The Chimney Snuffer comes complete with carrying bag, garden hose adapter, Res-Q-Rench, 25 feet (7.6m) of 1" (25mm) hose and ball shutoff valve. 1.0" NH (25mm).
