

## US&R SMT (SPECIAL MISSION TENDER)

The US&R SMT® is a low maintenance and cost effective solution for fire departments and specialized rescue teams, and it also simplifies rescue plans by having a neat and organized place for all of your rescue equipment.

Placing an SMT® order is simple. Just make one selection below and order that single part number. When it arrives, the SMT® is ready to go! It doesn't get any easier than that.

### Part Number:

22-700200	US&R SMT 16 ft Red Trailer W/Generator
22-700201	US&R SMT 16 ft Red Trailer
